## PRICES

Prices in this catalogue include local delivery. A moderate delivery charge will apply to orders outside of local area. These prices supersede all others and are subject to change without notice.

Prices quoted are for fine grade nursery stock and are for our selection only. Personally selected specimen plants will be charged according to their individual value. All quotations subject to prior sale.

## LANDSCAPE SERVICE

For suggestions and advice—there will be no charge.

Where simple sketches are required, there is no charge.

Where measurements and notes are required for a detailed plan and survey and a complete landscape plan is wanted, costs will be based on time required. If the resultant order justifies it, the cost can be deducted.

## SPECIALS

At times we have an over-stock or want to clear a block and have a Special on some varieties of trees or shrubs. Ask us to quote you on prices.

## LAWN BUILDING AND FEEDING

Our crew of men are capable of building a new lawn complete or repairing and feeding your existing lawn. We have on hand at all times the necessary seeds, fertilizers, etc., to do a real job on your lawn.

## VISITORS

Visitors are always welcome. We will be glad to show them throughout our grounds and greenhouse.

{page two}

## PLANTING

We can furnish experienced planting foremen and plantsmen, to plant the materials you order from us, at the current labor costs. The planting season starts as soon as the frost is out of the ground about mid-March and extends through December.

We have all the necessary equipment and materials for good work.

## TERMS

Cash—excepting established credit or satisfactory reference to which we will extend 30 days or where specific arrangements are made for longer terms.

## BALLING AND BURLAPPING (B & B)

Plant material which cannot be successfully dug bare root are dug with a ball of earth—burlapped and securely tied. Where bare root material is requested to be B&B an additional charge will be made.

### ***Poundridge Nurseries Guarantee***

Provided the account is paid in accordance with credit rules, or agreed upon terms of sale, and the plants have received reasonable care, we will replace at one-half price of the plants plus cost of planting and delivering, any plants or trees furnished and planted by us which, if planted in the spring fail to survive throughout the summer, or if planted in the fall, fail to leaf out the following spring.

Should we not have the same variety or size of plants in stock, we will allow credit for an amount equal to one-half cost of the plants lost, in other plants of your selection.

## Flowering and Ornamental Shrubs

All our shrubs are well grown bushy plants. Included among them are the old favorites as well as some of the newer varieties. *Prices quoted are for bare root flowering shrubs, unless otherwise specified. Ball and burlap at additional cost.*

# *Azaleas*

The Azalea has established itself as one of the most outstanding shrubs in the whole plant kingdom, with varieties that do well in the range of full sunshine to shade. The flowers come in a wide range of appealing colors. Azaleas come in deciduous, semi-evergreen or complete evergreen. They are all acid soil loving and during bloom time need an abundance of moisture. Azaleas do well in all landscape plantings.

## FLORIBUNDAS

Floribunda roses give you more color, more continuous bloom and will beautify your garden with an almost unbelievable show of color from early spring until late fall. For mass effect they are superb and wonderful for a bushy low hedge or border. Remarkably indifferent to soil and climatic conditions, and quite hardy, they are easy to grow.

## TREE ROSES

Tree Roses lend the garden a touch of formality and few plants can equal the color of tree roses. Tree shaped roses are grown by budding into a tall straight stalk at a height of 36 inches. The bushy head usually produces more flowers and larger ones than the bush type of the same variety.
